

SURE SAVE

RBRO SOLUTIONS

Dramatically reduce risk and decrease the time involved in saving changed documents to iManage Work

- Upload saved document changes to iManage Work without checking-in the document
- iManage Work 10 compatible
- iManage Cloud compatible

Sure Save is a tool that dramatically reduces risk and decreases the time involved in saving changed documents to iManage Work, by automatically uploading changes to Work without the need to close and check-in the document. It is a tool that extends the peace of mind and protection by ensuring that every save operation is captured within Work.

Sure Save helps users to easily engage in document collaboration by automatically saving and capturing changes within Work. As a result, users who access a document while it is checked-out will be able to view a read-only version of the latest edits. This valuable feature facilitates document collaboration by ensuring that users always have access to the most up-to-date documents.

PRODUCT FEATURES

- Automatically saves changes made to checked-out documents directly to iManage Work, without the need to close and check-in the document.
- Reduces the risk of lost work, saves time and improves user efficiency.
- Facilitates rapid-paced document collaboration by ensuring that users access the most up-to-date documents.

ABOUT RBRO SOLUTIONS

A premiere iManage partner for over 15 years and trusted globally by over 400,000 business users, RBRO Solutions is dedicated to helping organizations get the greatest value from their business content and work processes by extending the power of their iManage Work solution. With over 700 iManage engagements, RBRO applies best practices and know-how to simplify iManage implementations, upgrades and migrations.

RBRO can transform how organizations get work done with adoptable and scalable improvements in business efficiency and agility—that integrate seamlessly across corporate systems—adding value to the iManage Work solution, enabling you to decrease your overall cost of ownership by simplifying tasks and empowering users.
